Positive Attitude
Respect for Self and others
Individual Responsibility
Determined Effort

At Mountainview our goal is to support our students with positive behavior systems to help them grow into responsible, respectful, productive role models in our school and our society. We use positive behavior interventions and clear expectations to ensure that we establish and maintain excellent student behavior.

The staff at Mountainview is well trained to support student positively through recognition of student making positive decisions and redirection or reteaching when needed to change behavior. We are working on expectations for classroom, hallway, restroom, food serving area, special events and playground. You can support us by using the same expectations and language at home. General Information:

**Acceptable Use Policy - WVSD Board Policy 2022**
Access to the Internet and other district network resources provides great educational opportunity for students. However, this opportunity must be balanced with responsibility and awareness on the part of the student. Student behavior on the internet should be to the same high standards expected for any other school activity. The content of work on the district’s network is open to examination by network administrators. Although one might feel “anonymous” on the internet, student activities are monitored by a screener through the IT department for safety purposes. In order to access the internet, a student must have a signed *Internet Use Parent Permission form (2022F)* on file. Students who abuse their internet privileges may lose them.

**Accident/Illness at School - WVSD Board Policy 3418**
The Board recognizes that schools are responsible for providing first aid or emergency treatment in case of sudden illness or injury to a student, but that further medical attention is the responsibility of the parent or guardian.

When a student is injured it is the responsibility of staff to see that immediate care and attention is given to the injured party until relieved by a superior, a nurse or a doctor. Word of the accident should be sent to the principal's office and to the nurse. The principal or designated staff should immediately contact the parent so that the parent can arrange for care or treatment of the injured.

In the event that the parent or emergency contact cannot be reached and in the judgment of the principal or person in charge immediate medical attention is required, the injured student may be taken directly to the hospital and treated by the physician on call. However, an injured or ill student should only be moved if a first aid provider has determined that it is safe to do so, or that it is safe to transport the student in a private vehicle. Students with head or neck injuries should only be moved or transported by emergency medical technicians. When the parent is located, he/she may then choose to continue the treatment or make other arrangements.

The district is not qualified under law to comply with directives to physicians limiting medical treatment and will not accept such directives. The Superintendent shall establish procedures to be followed in any accident, and for providing first aid or emergency treatment to a student who is ill or injured.

**Anaphylaxis Prevention - WVSD Board policy 3420**
The Board of Directors expects school administrators, teachers and support staff to be informed and aware of life-threatening allergic reactions (anaphylaxis) and how to deal with the resulting medical emergencies. For students, some common life-threatening allergens are peanuts, tree nuts, fish, bee or other insect stings, latex and some medications. Affected students require planned care and support during the school day and during school sponsored activities.

Parents/guardians are responsible for informing the school about their student’s potential risk for anaphylaxis and for ensuring the provision of ongoing health information and necessary medical supplies. The district will take reasonable measures to avoid allergens for affected students.
The district will also train all staff annually in the awareness of anaphylaxis and prepare them to respond to emergencies. Additionally, student specific training will be provided for appropriate personnel.

Even with the District’s best efforts, staff and parents/guardians need to be aware that it is not possible to achieve a completely allergen-free environment. However, the District will take precautions to reduce the risk of a student having an anaphylactic reaction by developing strategies to minimize the presence of allergens in schools. One strategy will include limiting the use of food in the classroom and using prepacked food items.

The Superintendent shall develop procedures for the management of food allergies which shall include Food Allergy Management and Prevention Plans at each school.

- Hand held radios shall be required for all supervising personnel at all school day outdoor activities, including but not limited to recess, PE, and field trips when school busses are not provided.
- The district will maintain at designated school locations a supply of epinephrine autoinjectors based on the number of students enrolled at the school. Undesignated epinephrine autoinjectors must be obtained with a prescription in the name of the school by a licensed health professional within the scope of their prescribing authority and must be accompanied by a standing order protocol for their administration.
  - In the event a student with a current prescription for an epinephrine autoinjector on file at the school experiences an anaphylactic event, the school nurse or designated trained school personnel may use the school supply of epinephrine autoinjectors to respond if the student’s supply is not immediately available.
  - In the event a student with a current prescription for epinephrine on file with the school or a student with undiagnosed anaphylaxis experiences an anaphylactic event, the school nurse may utilize the school supply of epinephrine to respond under the standing order protocol.
- The school’s supply of epinephrine autoinjectors does not negate parent/guardian responsibility to ensure that they provide the school with appropriate medication and treatment orders pursuant to RCW 28A.210.320 if their student is identified with a life-threatening allergy.
- The superintendent will establish procedures to support this policy and to ensure:
  - Rescue protocol in cases of suspected anaphylaxis will follow OSPI’s Guidelines for the Care of Students with Anaphylaxis (2009)
  - A simple and standardized format for emergency care plans is utilized
  - A protocol is in place to ensure emergency care plans are current and completed;
  - Medication orders are clear and unambiguous
  - Training and documentation is a priority
  - Each school’s supply of epinephrine autoinjectors, if any, is maintained pursuant to manufacturer’s instructions and district medication policy and procedures.
- The Superintendent will establish additional procedures to support this policy. Cross Reference: Policy 3415 Students with Life-threatening issues.
Anti-Bullying, Intimidation, and Harassment - WVSD Board Policy 3207

Our school is committed to a safe and civil educational environment for all students, employees, volunteers and patrons, free from harassment, intimidation, or bullying.

RCW 28A.300.285 (2) “Harassment, intimidation, or bullying” means any intentional written, verbal, or physical act, including but not limited to one shown to be motivated by any characteristic in RCW 9A.36.080 or other distinguishing characteristics, when the intentional written, verbal, or physical act:
(a) Physically harms a student or damages the student’s property; or
(b) Has the effect of substantially interfering with a student’s education; or
(c) Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
(d) Has the effect of substantially disrupting the orderly operation of the school. Nothing in this section requires the affected student to actually possess a characteristic that is a basis for the harassment, intimidation, or bullying.

To report an incident of harassment, intimidation, or bullying, contact the school principal, Debbie Cameron at 972-5530.

Arrival Time
Children should arrive at school no earlier than 8:40, as playground supervision is not available. Upon arrival, students should go directly to their classrooms and prepare for instruction to start as soon as the second bell rings at 8:55. Arrival by Car (Drop off/Pick up)

Drop off procedure:
The bus lanes are to be kept open and parking is to be in designated spaces. It is so important to drive defensively, always on the lookout for walkers and other vehicles. Observe and honor the crosswalk in front of the school. We require that all parents escort their children from the parking lot to the front door of the school using the crosswalk. An adult must supervise students at all times while in the parking lot. Parents may pull into the “DROP OFF’ lane and wait until the line of cars proceeds to the side of the school. Only one car at a time will be allowed to drop off their children. Children must not be dropped off while still waiting in the driving lane. Please drive straight through the parking lot and out the south exit. We only have one entrance and one exit.

Pick up procedure:
We require all parents to stay in their vehicle. Pick up begins at 3:30 at the north parking lot. Staff will open car doors and escort your child in the car. Students will be lined up in front and on the side of the building. You will exit out the south exit. We have only one entrance and one exit.

Attendance Policy - WVSD Board Policy 3121, 3122

ATTENDANCE
The West Valley School District has six elementary schools, each of which serves specific residential areas. To attend YOUR ELEMENTARY, students must reside within the YOUR SCHOOL boundaries or be granted a transfer from another West Valley elementary school. At the present time West Valley elementary schools are accepting out of district students, as space is available. Please contact the Central Office (972-6000) for more information about out-of-district enrollment.
EXCUSED AND UNEXCUSED ABSENCES

Students are expected to attend school each day. Teachers are responsible to submit absence and tardiness records to their building office, where attendance information is transcribed into the student’s record. In grades K-4, an absence for more than 90 minutes of the school day shall be counted as a half-day absence.

You can help ensure your children’s success at school by providing them with nutritious breakfast, and getting them to school on time each and every day. On the rare occasions when your children must be absent from school, please do the following:

- Please call Tammy Heary (972-5530) before 9:00 AM if your child will be absent or late to school.
- If your child will arrive later than 9:20, please call and order a lunch if needed.
- TO EXCUSE YOUR CHILD’S ABSENCE, you must call the office or send a signed, dated note explaining the reason for absence within two (2) days of your child’s return to school.
- FOR A PRE-APPROVED ABSENCE, please contact the office for a pre-approval form and to make arrangements for any assignments that may be missed during the absence.
- WHEN CHECKING OUT EARLY FOR APPOINTMENTS, LUNCH, ETC., parents must come to the office and sign their children out or send a signed, dated note explaining the special circumstances.
- NOTES FROM THE DOCTOR/DENTAL OFFICE MAY BE REQUIRED

EXCUSED ABSENCES

The following are acceptable excuses for absences and tardiness. Assignments and/or activities not completed because of an excused absence or tardiness may be made up in a manner provided by the teacher:

Absence due to illness, health condition, family emergency or religious purposes: When possible, the parent is expected to notify the school office on the morning of the absence and send a signed note of explanation with the student on his/her return to school. A parent may request that a student be excused from attending school in observance of a religious holiday. In addition, a student, upon the request of his/her parent, may be excused for a portion of a school day to participate in religious instruction provided such is not conducted on school property.

Absence resulting from disciplinary actions or short-term suspension: As required by law, students who are removed from a class or classes as a disciplinary measure, or students who have been placed on short-term suspension, shall have the right to make up assignments or exams missed during the time they were denied entry to the classroom.

Preapproved Absences: This category of absence shall be counted as excused for purposes pre-approved by the principal and the parent. An absence may not be approved if it causes a serious adverse effect on the student’s educational progress.

UNEXCUSED ABSENCES

When a parent/guardian fails to provide any type of excuse statement within two days of the student’s absence, that absence will be unexcused. This type of absence is also defined as truancy. The school will contact the home to correct the problem. After two unexcused absences in one month, a parent-student-principal conference will be held. Washington attendance laws mandate that the school notifies the juvenile courts after a child accumulates seven (7) unexcused absences in one month or ten (10) absences in one year. Your assistance in helping us comply with the law is appreciated.
TARDINESS
It is very important for children to arrive at school on time. Late entries are disruptive to the classroom and cause the late student undue stress. Please make every effort to get your child to school by 8:55 AM.

When children are tardy, parents must check them in at the office. A tardy will be excused or unexcused according to the same standards as absences. A student is considered tardy until 9:10 am after this time it will be considered a morning absence. When a student’s tardiness becomes frequent or disruptive, the student shall be referred to the principal or counselor for counseling, parent conferencing, and/or disciplinary action in accordance with state and district regulations.

Birthday/Holiday Celebrations
Birthday celebrations will happen during lunch at Mountainview. Please give your child’s teacher notice if you will be bringing in treats. All items must be pre-packaged.

Change in Address / Telephone
Please notify Mountainview Office at 972-5530 as soon as possible if there is a change in address, phone number, or emergency contact information. Notify the school office a week in advance if you plan to move.

Child Abuse Reporting - WVSD Board Policy 3421
State law requires that staff members report matters of child abuse and neglect. Those who in good faith report suspected child abuse or neglect shall be immune from criminal and civil liability. It is a misdemeanor for a staff member to knowingly fail to report child abuse and/or neglect.

Closed Campus - WVSD Board Policy 3242
Mountainview is a closed-campus school, which means that once you have entered school property, you may not leave the campus during the school day without the permission of the administration. You must stay on the school grounds from the time you arrive until dismissal or until you are picked up by your parents. Students may not drive a vehicle to or from school.

Communication between Home and School
Please check your child’s backpack daily for schoolwork and information sent home. Notices and newsletters will be sent home frequently to keep you informed of schedule changes, field trips, school picture schedules and fees, holidays, early dismissal, etc. We also utilize email and Remind to send many messages home.

Dress Code - WVSD Board Policy 3224
All dress requirements are based on health, safety, good taste, and decency. Please provide your children with clean, neat, weather-appropriate attire. Shirts with thin straps (spaghetti or shoestring) are not allowed. Underwear (including sports bras) and midriffs must be covered. Excessively scooped armholes or neck openings are not allowed. Skin-tight or see-through mesh tops/shorts/skirts may not be worn at school. Shorts and skirts should be at least mid-thigh length. Flip-flop shoes are discouraged from being worn to school. Clothing should be tasteful, without
offensive designs or writing, and free of alcohol/tobacco advertising. Hats are considered outside apparel.

**Students dressed inappropriately may be required to change.**

**TENNIS SHOES MUST BE WORN, OR STUDENTS MUST BRING TENNIS SHOES FOR PE DAYS.**

Children will have outdoor recess except in extreme weather conditions. Shorts should be worn only in warm weather. We count on parents to help students make appropriate clothing choices.

**Mark those belongings:** Coats, hats, backpacks, etc. should be clearly marked with your child’s name. Check **Lost and Found** periodically for missing items.

**Drug, Alcohol, and Tobacco Education - WVSD Board Policy 2121**

The board recognizes that a significant number of parents, students and others are seriously concerned about the adverse effects of drugs, alcohol, and tobacco, and that the schools share the responsibility for providing appropriate information to young people.

The district shall cooperate with parents, professional authorities, community agencies and others in developing an effective educational program dealing with this important area.

A facilitative school environment can help students to achieve in a productive manner (academically, socially and emotionally).

**Substance Abuse Program**

Actions taken by staff in dealing with student use of alcohol and the use and abuse of controlled illegal, addictive or harmful substances including anabolic steroids will have as their first concern the welfare of the student involved and the other students in the school. Although a helping relationship rather than an investigative and punitive approach will be emphasized, necessary and appropriate disciplinary action will be taken when laws or school regulations are violated. Law enforcement agencies will be called upon for investigative and consultative assistance where illegal drug or alcohol activity has occurred.

**Early Checkout**

During school hours, students may not leave the school boundaries for any reason without a note signed by a parent, teacher, or principal. On the rare occasions when students must leave during the school day, they are required to check out and back in at the office. When parents need to pick up a student during the school day, they must report to the office (not the child’s classroom) and complete a student checkout form. Then, the student’s teacher will be called and the child will be released to meet his/her parent in the office.

*Note:* Your cooperation will ensure the safety of your child.

**Emergency School Closure Information**

When weather conditions are extreme, please visit the [www.wvsd208.org](http://www.wvsd208.org) website for information. You may also sign up to receive a Flash Alert announcement in your email to announce any closures or delays. You may also listen to one of the following radio stations or watch one of the following T.V. stations to find out if schools are operating. **DO NOT** call stations for closure information.

Family Educational Rights and Privacy Act of 1974 (FERPA)
Disclosure - WVSD Board Policy 3231
In accordance with the Family Educational Rights and Privacy Act of 1974, parents/guardians have the right to inspect and review all official records pertaining to your child(ren) which are maintained by the West Valley School District.
In the event of a student transfer to another educational institution, educational records will be sent upon request by the receiving institution. Also, subpoena requests will be honored after you have been notified. Student records will not otherwise be released by the West Valley School District without expressed written consent.
The West Valley School District makes available as “directory” information the following: student names as published in activity and athletic programs and brochures (information may include height, weight, age, class and program experience); student names and activities as published in the school yearbook and newsletters; and student names as published in honor rolls and commencement programs (which may include grade point information). Parent permission is not required for release of “directory information.” However, if you do not want the school to release such information without your consent, please notify the school office in writing.

Field Trips - WVSD Board Policy 2320
The Board recognizes that field trips, when used as a device for teaching and learning integral to the curriculum are an educationally sound and important ingredient in the instructional program of the schools. Such trips can supplement and enrich classroom procedures by providing learning experiences in an environment beyond the classroom.

Fines and Fees - WVSD Board Policy 3520
Students must demonstrate care and respect for both personal and school property. Fees and fines will be charged to replace or repair library books, chrome books, textbooks, musical instruments, magazines, or any other lost or damaged items. Student report cards will be held until payment is received.

Homework Policy - WVSD Board Policy 2422
The Board believes that homework is a constructive tool in the teaching/learning process when geared to the needs and abilities of students. Purposeful assignments not only enhance student achievement but also develop self-discipline and associated good working habits. As an extension of the classroom, homework must be planned and organized; must be viewed as purposeful to the students; must be evaluated and returned to students in a timely manner.

Homework may be assigned for one or more of the following purposes:
- Practice skills presented in class
- Prepare for future lessons
- Extend specific skills to new learning
- Create by integrating skills and concepts to produce original responses.
The purposes of homework assignments and the guidelines and/or rules should be made clear to the student at the time of the assignment.

**Immunizations - WVSD Board Policy 3410, 3413**

State law requires that all students meet state immunization requirements before entering a Washington State Public School. The school must have a written record of the dates of the immunizations before the student may attend. Please contact the school office for details.

**Insurance**

Schools do not provide insurance to cover students in the event of injury. If your child(ren) are not covered by a health insurance program, you may want to consider the student insurance program selected by the district to provide affordable coverage options. If you decide to enroll your child in this program, please make payment and send correspondence to the provider and NOT to the school. We are not selling the insurance.

**Kindergarten Registration**

To attend kindergarten, a child must be five years of age by September 1. An official birth certificate and up-to-date immunization records are required. Students who transfer from another district during the school year must register for school before noon in order to begin classes the next day.

**Library Information**

The library is open for all students to use and enjoy. Grade level determines the number of books a student can check out at one time. They are checked out for one week, but they can be renewed for as long as necessary. If a student wishes to select new books before the week is over, he/she may ask their teacher for a time to go to the library.

If a book is lost or damaged, the student will receive a fine. Report cards and other items may be withheld until the fine is paid.

**Lost and Found**

Clothing and other items are frequently found on the school grounds. It is difficult to identify the owner if the items are not properly marked. Please label your child’s clothing and items. We discourage students from bringing personal items (toys, game-boys, cell phones, MP3 players, CD players, etc.) to school. The school cannot be responsible for the loss or damage to students’ personal items. Check the lost and found bin outside the office for lost items.

**Medication at School - WVSD Board Policy 3416**

We understand that children sometimes need to take prescribed or over-the-counter medication during the school day. Our district policy requires a completed medication request form that has been signed by both the parent and a physician, giving complete instructions for administering the medication. Parents (not students) must bring the medication to the office in the original container. As per state law, an exception is made for topical sunscreen products regulated by the United States Food and Drug Administration for over-the-counter use. Staff is not required to assist students in applying the sunscreen.
Over-the-counter drugs (aspirin, cough medicine, cough drops, etc.) will be treated the same as prescriptions. Again, we must have a signed medication form giving authorization for your child to receive the medication. Students cannot administer medication on their own.

Non-Discrimination WVSD Board Policy 3210

“The West Valley School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups.

The following employee has been designated to handle questions and complaints of alleged discrimination: HR Director (509) 972-6016, West Valley School District, 8902 Zier Road, Yakima, WA 98908”

Notification of Due Process to Parents - WVSD Board Policy 3200

DUE PROCESS: No pupil shall be deprived of educational opportunity by the school district without due process of law. These include rights of appeal.

It is the goal of the West Valley School District to effectively handle complaints and concerns on the part of students, staff, parents, and patrons. To that end, we believe that these issues are best resolved at the classroom, building, or departmental level. If the problem is not resolved at this level, then a written statement that describes the complaint or concern and a possible solution may be filed with the District Office. If still unresolved after meeting with the Superintendent or his/her designee, the matter may be brought before the Board of Directors.

Parent Conferences

Parent/Student/Teacher Conferences will be scheduled in the fall and again in the spring. At these conferences, participants are encouraged to share any joys or concerns they might have regarding the student’s school experience. A parent may also schedule a conference with a teacher and/or the principal at any time during the school year to discuss a particular concern. Parents, please contact the teacher if you cannot make your scheduled conference.

Parental Notification of Professional Qualifications

In accordance with ESEA 1111(h)(2), parent/guardians may request information regarding the professional qualifications of their student’s classroom teacher and paraprofessionals. In accordance with RCW 28A.320 and RCW 42.17, parent/guardians may request public records regarding school employee discipline.

Pet Policy

We do not allow pets from home on campus.

Pesticide Notification - WVSD Board Policy 6895

The District shall comply with all legal requirements for record keeping regarding the application of pesticides to school grounds or school facilities. This includes creation of an annual summary report of pesticide usage and...
compliance with state department of agriculture rules regarding record keeping. Such records will be available on request by interested persons under the state Public Records Act and other laws.

Procedure 6895 shall be printed and distributed annually in employee handbooks and student handbooks to employees, students and parents at the start of the school year or when an employee begins work or a student enrolls.

At least 48 hours before the application of a pesticide to school facilities or school grounds, the District shall notify parents and staff of the planned application in writing, including the heading, “Notice: Pesticide Application.” This notice shall be posted in a prominent place in the building office in addition to being provided to parents and staff. This pre-notification is not required if the school grounds or facilities will not be occupied by students for two days following the application of the pesticide. If the application is not made within 48 hours of the notification, another notification shall be made prior to the application. This pre-notification is not required in the case of any emergency application of pesticides to a school facility, such as an application to control stinging pests, but full notification shall be made as soon as possible after the application.

Following the application of a pesticide to school facilities (structures and vehicles) a sign shall be posted at the location of the application. The notice shall be at least 8.5 x 11 inches in size, shall include the heading, “Notice: Pesticide Application,” and shall state the product name; date, time and specific location of the application; the pest for which the application was made; and a contact name and telephone number. The notice shall remain posted for 24 hours, or longer if required by the label of the pesticide.

Following the application of a pesticide to school grounds notice shall be posted at the location of the application and at each primary point of entry to the grounds. The notice shall be at least 4 x 5 inches in size and state that the landscape recently has been treated with a pesticide and provide a contact name and telephone number. The notice shall remain posted for 24 hours, or longer if required by the label of the pesticide.

These notices are not required for the application of anti-microbial pesticides (substances used to sanitize or disinfect for microbial pests: viruses, bacteria, algae and protozoa). These notices are not required for the placement of insect or rodent bait that are not accessible to children.

For outside playground, grass areas, and athletic fields the District will normally use Round-up (ground killer), Turflan, Horsepower, and Weedar (broad leaf), Casaron and Surfian (Pre-emergent), and Scyth (burns lines into the athletic fields). For insects, the name brands may change, but the use of some kind-of sprays for insect will be used. Presently, the District is using Fast Kill III (roach and ant killer), Flying Insect Killer (Flies, mosquitoes, cockroaches, beetles, etc.), and Jet Force II (wasp and hornet) Revised: 08.12.03

**Progress Reporting**

Student report cards are reported two times during the school year. Parent conferences are scheduled during fall and spring and report cards are mailed home at the end of the school year. If you have
concerns at any time, we encourage you to call the school and arrange a conference with your child’s teacher.

**Rules about Student Conduct and Consequences - WVSD Board Policy 3240, 3241**

Everyone at Mountainview Elementary is expected to do his/her very best at all times. Mountainview operates under a Positive Behavior Intervention System. PBIS is an evidence based three-tiered framework to improve and integrate all of the data, systems, and practices affecting student outcomes every day. PBIS creates schools where all students succeed. [https://www.pbis.org/](https://www.pbis.org/)

Staff and students will work together to help every person in the school reach their fullest potential. Any behavior or action, which helps someone grow and mature, will be encouraged. Any behavior or action that interferes with the learning process may include consequences for the behavior that also includes being asked to evaluate their own behavior during a problem-solving session. To assist students with their behavior, we have utilized PBIS in creating the following five components which we practice in all aspects of school:

- Positive Attitude
- Respect self and others
- Individual Responsibility
- Do your best
- Excellence

The goal of any intervention should be to assist students in developing self-discipline. We believe students can change behavior and it is the staffs’ job to assist them in resolving problems. Our goal is to help students correct their unacceptable behavior so that they may become productive, happy, healthy, contributing members of our school community. Though the consequences for unacceptable behavior are outlined below, administrators and staff will use best judgment based on available objective data when dealing with individual students.

**Unacceptable Behavior (examples)**

- Disruption of Learning/Not prepared for class
- Verbal or Written Profanity/Obscene Gesture
- Intimate Displays of Affection

- Long Term Out of School Suspension/Expulsion

The proper authorities will be called in cases of arson, possession of alcohol or other drugs, weapons, assault or any other behavior which is considered a danger to self or others and, at the discretion of the administrator, may result in a long term suspension or expulsion from school.

Suspension/Expulsion:
• **Short term:** Upon proper justification, a short-term suspension may be imposed by the principal or her designed. The parent/guardian will be notified in writing of the length of suspension, reason, and due process procedures (copy to district hearing officer). The parent/guardian will be notified by phone prior to the student being sent home.

• **Emergency expulsion:** The principal or designee may expel a student from school for an emergency as per WAC 180-40 and West Valley School District No. 208 Rules and Regulations. The length of expulsion is determined by the nature of the emergency and whether the emergency still exists.

**Disruptive Items**

Pagers, cell phones, laser pointers, any electronic device, Gameboys, MP3’s, iPods, rubber bands, shooters, collector or playing cards, finder boards, roller shoes, skateboards, toys, etc. are not allowed at school. These items are a disruption to the educational process and will be taken. **West Valley Schools are not responsible for such as these lost or stolen items. REPEATED DISRUPTION WITH THESE TYPES OF ITEMS WILL RESULT IN DISCIPLINARY ACTION.**

**Vandalism**

Vandalism is considered a criminal act. Any student vandalizing school property or property of any staff member or student may be subject to short term suspension, may be required to make restitution, and may be reported to the appropriate law enforcement agency.

**Classroom discipline plans:**

Each classroom will utilize PBIS and use the same expectations and language. In addition, students also have individual discipline plans that students are expected to follow. When the student is in another class such as PE or Music, the student will follow the rules of the PE or Music teacher. Since every adult teaches slightly differently, each teacher will communicate precisely how students are expected to behave in each activity. Consequences for misbehavior in the classroom are at the discretion of the teacher. Most behaviors will be dealt with through teaching, discussion, restitution, missed recess privileges, or noon recess problem solving where students will identify in writing the steps to correct the behavior. The teacher will send home a level 1 referral and contact parents. When students are trying their best, the teacher will acknowledge their efforts. **Our goal is to work together to help students learn behavior that increases their success in school.** More serious offenses will be dealt with in the office as stated in the discipline section. Everyone must recognize that dangerous behavior and disrespect will not be tolerated.

Every staff person in the school is an equal and contributing part of the discipline policy and procedures. Students are expected to comply with reasonable requests made by any staff member, including para-educators, secretaries, custodians, bus drivers, and other employees.

**HOW PARENTS CAN HELP WITH DISCIPLINE**

Parents are encouraged to participate in the education of their children. Without the cooperation and support of parents, the school can not effectively help a student reach his or her fullest potential. The major role of parents in discipline is to continually show the child that they are interested and supportive of how their child is doing in school. When the child sees that mom and dad are actively interested in how they are doing, the student is given the incentive to strive for excellence.

Parents will be periodically informed when their child is doing his/her best or when their support is needed. They may be asked for help on developing a particular skill or to take responsibility for their child’s behavior. The school staff will provide specific information on different ways to accomplish this goal. PBIS has some excellent resources for families:

https://www.pbis.org/tools/all-tools#family

It is a violation of district policy and state law for any person to carry a firearm or dangerous weapon or maliciously display an instrument that appears to be a firearm on school premises, school-provided transportation or areas of other facilities being used exclusively for school activities.

The superintendent is directed to see that all school facilities post “Gun-Free Zone” signs, and that all violations of this policy and RCW 9.41.280 are reported annually to the Superintendent of Public Instruction.

Students who violate this policy are subject to district discipline policies, including the due process provisions regarding notification of parents. Students who violate the firearms provisions are subject to a minimum one calendar year expulsion, with possible case-by-case modification by the superintendent. The district shall also comply with federal protections for disabled students in the application of this policy.

School officials shall notify the appropriate law enforcement agency of known or suspected violations of this policy. **Students who violate this policy shall be subject to discipline, including a one-year expulsion for a violation involving a firearm.**

**Other Weapons**

Weapons include but are not limited to the following:

- knives and other pointed objects (cutting or stabbing instruments with a sharp blade set in a handle)
- slingshots

Consequences for possession of weapons include suspension and/or expulsion from school. Parents and juvenile authorities may be notified of criminal acts. Due process requires that parents/guardians be informed when suspension or expulsion occurs. Appropriate reasons with documentation are conveyed to the parent and student. Grievance/appeal procedures are provided and explained.

**Safety**

All classrooms will consistently practice fire drills, lock down drills, and other emergency procedures. Students and staff are as prepared for emergencies as they can be. In our efforts to maintain a safe learning environment, we require all visitors (including parents) to check in at the office upon arrival. Always sign in and pick up a visitor’s pass at the office when you visit the school.

**School Bus - Transportation Department**

Transportation has specific information that is available on the WVSD208 District website. It is located under resources in two categories: Transportation handbook and Bus procedures.

**School Lunches (Please see the website for any Covid related changes)**

The West Valley Child Nutrition program provides Mountainview with a breakfast and a hot lunch program. All students will be provided information to establish their qualification in the federal free or reduced price lunch program. Student’s lunch money will only be deposited through a “My School Bucks” account or by taking money to WVCN at the West Valley Junior High. If you need to make other deposit arrangements, please contact the West Valley Child Nutrition at 972-6040. Adults are welcome to lunch with their children at school. Parents/Guardians will be notified via **Low Balance Receipts, Email Reminders, or Phone Call Reminders** when students are low in their lunch accounts. When students are in a negative balance in excess, they will be given a courtesy snack of cheese sandwich and milk.

**Gum/Soda pop free school**

Soda pop is not allowed during lunch or during the school day. We encourage milk or juice for the health and fitness of our students. Gum is not allowed because of the damage and extra maintenance it creates to school property.

**Sexual Harassment of Students Prohibited 3205 Students**
This West Valley School District is committed to a positive and productive education free from discrimination, including sexual harassment. This commitment extends to all students involved in academic, educational, extracurricular, athletic, and other programs or activities of the school, whether that program or activity is in a school facility, on school transportation or at a class or school training held elsewhere.

**Definitions:** For purposes of this policy, sexual harassment means unwelcome conduct or communication of a sexual nature. Sexual harassment can occur adult to student, student to student or can be carried out by a group of students or adults and will be investigated by the District even if the alleged harasser is not a part of the school staff or student body. The district prohibits sexual harassment of students by other students, employees or third parties involved in school district activities.

Any victim of sexual harassment should immediately report the offense to a teacher, counselor or other staff member. Keep in mind that all inquiries are handled discreetly and held in confidence. Staff members will work with you to stop the offensive behavior.

Sexual harassment is sometimes hard to talk about because it is a sensitive topic and can be a serious problem for both adults and students. Our school considers sexual harassment a serious offense, and it is subject to a range of disciplinary actions, including warning, suspension and expulsion.

**Student Internet/Directory Information**

The district is prohibited from releasing any personal identifiable records or files about an individual student without parent consent. However, the district may release a list of students belonging to a group (e.g. a class list, etc.). A student’s name will be excluded from a listing upon written request by a parent. If you want more information about what may be included or excluded in any listing, please contact the school office at 972-5530.

*Mountainview Elementary does have a Facebook page and website.* If you do not want any pictures taken of your child and placed on these pages, please inform the office in writing of your request.

**Student Records**

Student records containing academic and testing information on each student are kept in the counseling Office and move with your child as they progress through the system. The records are available to school personnel (if there is a need for information). The records are also available for inspection by students and/or parents/guardians by appointment during regular school hours. Please ensure that your address/phone number are up to date.

**Telecommunication/Electronic Devices - WVSD Board Policy 3233 (Students)**

All students are strongly encouraged not to have in their possession at any time on any school district property any electronic or telecommunication device. However, in recognition of parents’ decisions regarding the safety and communication needs of their families the following procedures are placed into effect so as to establish and create as positive a learning atmosphere as possible. The district prohibits the use of all personal telecommunication/electronic devices (including cell phones) during
the school hours for students in grades P-7 and during instructional time for students in grades 8-12. If a parent/guardian wishes his/her child to have a cell phone, it must remain out of sight and be turned off during school hours. All communication between parents and students in grades P-7 must go through school personnel during the school day. Students in the possession of telecommunication or other electronic devices shall observe the following conditions:

- All telecommunication/electronic devices may not be in visible sight or operated in school at the elementary and middle schools or in class or during instructional time at the junior and senior high schools, unless an emergency situation exists that involves imminent physical danger or a school administrator authorizes the student to do otherwise.
- Students who violate this policy will be subject to progressive disciplinary action up to and including confiscation of the device. The first step in most cases shall be confiscation, after which the student may pick the device up at the end of the school day. A device which has been confiscated more than once shall only be returned to the student’s parent or guardian.
- Students are responsible for telecommunication/electronic devices they bring to school or onto district-owned transportation. The district shall not be responsible for loss, theft or destruction of such devices brought onto school property even when confiscated. Nor will the school investigate the loss or damage of such an item. While on school property after school hours or while attending school-sponsored or school-related activities occurring after school hours, students may possess and use personal telecommunication/electronic devices. These include, but are not limited to, pagers, beepers, MP3 players and cellular phones. The possession and use of such devices must not pose a threat to academic integrity, disrupt the learning environment or violate the privacy rights of others. Legal References: RCW 28A.320.135

Visiting or Volunteering
We welcome visitors and volunteers to Mountainview Elementary. In order to provide communications and ensure safety, we require all visitors to complete a volunteer form and check in at the school office. If you would like to visit, please let the teacher know in advance. To conference with a teacher, please schedule an appointment after 3:40, when teachers have completed the end of the school day. This assures that testing, assemblies, field trips, or other activities are not taking place. It is very important not to disrupt instruction and classroom management.

Please remember the following:
- Always sign in at the office upon arrival.
- Pick up a visitor’s badge from the secretary before proceeding to a classroom.
- At the end of your visit, return the badge and sign out.

We really appreciate your help keeping our students safe by knowing who is in the building at all times.
