Washington LEA Academic and Student Well-being Recovery Plan

Part I: LEA Information

Please enter your LEA: West Valley School District #20

Please enter the name of the point of contact for this survey: Peter D. Finch, Ed.D.

Please enter point of contact email address: finchp@wvsd208.org
OSPI will use this email for questions regarding the contents of this survey.

Please enter the grade levels served by your LEA: PreK-12

Part II: Attestations and Public Posting

1. West Valley School District #208 (LEA name) attests that the School Board approved this plan after allowing for public comment.

   Please enter the date this plan was approved: June 8, 2021

2. West Valley School District #208 (LEA name) attests that an equity analysis tool was used in the development of this plan.

   Please provide the name of the equity analysis tool used: WASA Equity and Inclusion Diagnostic Survey by Hanover Research (WASA Equity Cohort)

   Please provide a link to the equity analysis tool used: https://www.hanoverresearch.com/k-12-covid-19-resource-center/

3. Plans must be posted on each LEA's website after School Board approval. Please enter the date this plan was posted on your LEA website: June 9, 2021

   Please provide a link to the posted accessible (i.e., disability and language access) LEA plan: https://wvsd208.edlioschool.com/apps/pages/Reopening_Plans

Part III: Universal Supports for All Students

LEA-wide universal supports are supports available to all students in an LEA or to all students in select grade level(s) of an LEA.

4. What LEA-wide universal supports are currently being provided or will be provided in the future to address gaps in student learning and well-being? (Select all that apply)

Part IV: Diagnostic Assessments
Diagnostic assessment is a particular type of formative assessment intended to help educators identify students' specific knowledge, skills, and understanding in order to build on each student's strengths and specific needs. Because of their domain specificity and design, diagnostic assessments can guide curriculum planning in more specific ways than most summative assessments.

5. Please select the **academic** diagnostic assessments predominantly used in each grade level in your LEA to monitor, assess, and target supports for student learning. The list below is not exhaustive and contains places to include diagnostics not listed.

Part V: Student and Family Voice

8. In what ways did your LEA include the following voices in the development of this plan? *(Student, Family, and Community Organizations)*

☒ Interviews
☒ Conferences (in-person and/or virtual)
☒ Advisory Groups
☒ Surveys

Part VI: Strategic Supports for Students

9. Based on your LEA's review of equity analysis and student diagnostic assessment results, what student groups need additional time, support, and/or extracurricular activities for academic growth and/or for student well-being? (Select all that apply)

☒ American Indian/Alaskan Native
☒ Asian
☒ Black/African American
☒ Hispanic/Latino of any race(s)
☒ Native Hawaiian/Other Pacific Islander
☒ Two or More Races
☒ White
☒ English language learners
☒ Low-income
☒ Students with disabilities
☒ Students experiencing homelessness
☒ Students in foster care

Part VII: Strategic Supports for Identified Student Groups

This section gathers details regarding the strategic supports provided to student groups, not universal supports provided under Part III of this survey.

10. Please select the specific strategies/interventions implemented to support student groups identified in your LEA's review of the equity analysis and student diagnostic assessment results. (Select all that apply)

Part VII: Monitoring Student Progress

13. Describe how your LEA will consistently apply the selected equity analysis and diagnostic assessments to evaluate and monitor student progress and effectiveness of the strategies/interventions implemented to address gaps in student learning and well-being.

For example:
"Our district uses an equity analysis process every three months to monitor progress, adjust strategies and identify student learning gaps."

The West Valley School District partnered with the Washington Association of School Administrators and Hanover Research to conduct the Equity Analysis and Diagnostic Assessment during the 2020/21 school year. We plan to continue administer the survey annually. In addition, the district has a "Stronger Together * Más Fuertes Juntos" Initiative which includes parents, staff, and community members. This group meets on a monthly basis to analyze data for continuous improvement. In addition, the district has a representative to the regional team for Family Engagement that is sponsored by the national Flamboyán Foundation. The focus of this regional team is to increase family engagement through an equity lens. The district's Family Engagement Coordinator conducts focus group sessions with students, parents, and caregivers periodically to hear their voices regarding stengths and areas of improvement for the school district. This information is shared with school and district administrators to improve systems and processes.

Part VIII: Supports for Strategies/Interventions

14. Of the strategies/interventions your LEA has implemented or is planning to implement, identify **up to three** in which your LEA has the knowledge, skills, and capacity to mentor another LEA.
